We are approaching the end of our year and, at the same time, planning for next year. There are offices, board positions, and committee positions to fill. Everyone is encouraged to consider making a commitment to fill one of the vacancies for the 2010-2011 year. The Ladies of Elks need everyone to participate if we are to be as successful as we have been in the past.

To thank all those who have volunteered during the past year, the Lodge has scheduled the Annual Appreciation Dinner for Saturday, March 6. The Ladies of Elks should be well-represented. We hope all of you will be there.

LADY ELK OF THE MONTH, NORA GUNN

Nora has played a very important part in the Ladies of Elks for many years. Currently she holds the position on our Executive Board as Financial Secretary and Membership Chair. In past years she has served as our Treasurer and Tom & Jerry Chair. Additionally one year she also co-chaired the Plant Sale.

Nora is very proud of her family, and her son, while in the military, served a tour of duty in Iraq. He was one of the LOE's first recipients of a *Touch of Home*. Once home, he spent time with us thanking us for the shipment of cookies, toiletries, and various other items sent to him and his fellow servicemen.

In her spare time, in addition to spending time with family and visiting with friends, she also enjoys line dancing. She can be found most Friday nights at the Lodge dancing to her favorite tunes.

Even though she works full-time at a local bank, she still finds time to help out at various fundraisers whenever she can.

The Ladies of Elks are fortunate to have dedicated members such as Nora.
